## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Is there something about Jesus you believed because it's what you were taught growing up? When and why did your understanding of Jesus shift to personal instead of inherited? Share your story.
3. Many in our culture say they believe in Jesus existed as teacher, prophet, moral example, or spiritual leader. Why do you think culture is comfortable talking about Jesus, but uncomfortable with the claim that Jesus is fully God? Share your thoughts.
4. Read John 1:1–18 together. From this passage, what do we learn about who Jesus is? Which truth stands out most to you? Is there one element that resonates with you more? Why?
5. Today we learned that a right understanding of Jesus is foundational to faith. Why does it matter that Jesus is both fully God and fully human? What problems would arise if Jesus were only human or only divine? Share your thoughts.
6. Of all the things we discussed today (the fill in the blanks), which do you find the most challenging to believe or understand? Which is the easiest? Why? Share your thoughts.
7. If someone asked you, "Who is Jesus?", how would you answer today? How can you explain who Jesus is in a way that is truthful, clear, and loving — not argumentative? Share your thoughts.
8. Who in your life might need to know and understand this Truth today? What is your best next step to show up for them this week? Share with the group so we can pray with you about it.
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
