Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. How does Jesus' method of engaging with people, including formal teaching, casual conversation, and meeting individual needs, provide a blueprint for us to live as citizens of God's kingdom in our everyday interactions?
3. What are some steps we can take to cultivate the same level of compassion that Jesus demonstrated towards those who are distressed and dejected, like sheep without a shepherd? How can this compassion translate into action where we live, learn, work, and play?
4. Reflecting on the concept of God using ordinary Kingdom citizens to accomplish extraordinary Kingdom work, what are some examples from your own life or the lives of others where seemingly ordinary actions or individuals have resulted in significant impact or change?
5. How does it make you feel to know that God values availability over ability? How can we overcome feelings of inadequacy or self-doubt to make ourselves available for God to use in His Kingdom work?
6. What does it look like to put our availability and "yes" on the table for God to use us where we live, learn, work, and play this week? What steps can we take to be more intentional about surrendering ourselves to God's plans and allowing Him to equip us with Kingdom power for His work?
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
