Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Read Matthew 25:14-30. How do you relate to the servants in the parable in terms of the 'talents' you have received? Do you feel like a five-talent, two-talent, or one-talent servant, and why? Share your thoughts.
3. What is the significance of acknowledging God as the ultimate owner of everything we have? How does this recognition impact your decisions regarding your possessions and resources?
4. Reflecting on the concept of God resourcing Kingdom citizens to accomplish Kingdom work, what are some examples from your own life or the lives of others where stewardship of resources resulted in significant impact or change? How did you feel in response to this?
5. How do you discern and respond to God's will in utilizing your talents and resources? Discuss practical steps to align more closely with God's will in these areas.
6. What is your best next step to better steward your time, talents, or treasures for God's glory. How can others support you in that commitment?
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
