Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Have you had an experience where something you eagerly anticipated turned out to be a disappointment? How did you deal with the disparity between expectation and reality? Share your story.
3. Read Matthew 21:1-11. How does Jesus' entry into Jerusalem on a donkey challenge our typical notions of power and leadership? How does this contrast with worldly expectations of a king? Share your thoughts.
4. The crowd's initial praise turned to rejection by the end of the week. Discuss the difference between what the Jewish people expected from their Messiah and what Jesus came to offer. Do you see anything like this happening in our culture today? Share your observations.
5. Have you ever experienced a situation where you felt God did not meet your expectations? How did this affect your faith, and what did you learn about God's true provision through it?
6. How does the Zechariah 9:9 prophecy that "Your king has come for you," resonate with your own journey? Are there areas of your life where you need to surrender your expectations and trust His Kingship more fully? If so, what are they and what is your best next step to do that this week?
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
