2. How often would you say you think about and reflect on the resurrection? How has the reality of the resurrection impacted your life? Share your story.
3. Reflecting on the disciples' initial disbelief despite Jesus's repeated predictions of His resurrection, what do you think might have contributed to their lack of understanding? How can we ensure that we fully comprehend and embrace the promises and teachings of Jesus in our own lives today? Share your thoughts.
4. The disciples' transformation from fear and doubt to boldness and conviction after witnessing the resurrection is profound. What do you think contributed most to this transformation, and how can we cultivate similar courage and faith in our own lives, especially in challenging or uncertain times?
5. The concept of resurrection is central to Christian belief and provides the foundation for hope and eternal life. How does the reality of Jesus's resurrection shape your understanding of life, death, and eternal life? How does this understanding influence the way you live your life and interact with others on a daily basis?
6. Belief in the resurrection not only transforms individual lives but also has the power to change the world, as evidenced by the disciples' mission to spread the message of Jesus's resurrection. In what ways can we actively participate in this mission today, sharing the hope and joy of the resurrection with those around us? How can we embody the love and grace of Jesus in our interactions with others, effectively demonstrating the reality of His resurrection?
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
