## Discussion Guide

1. What is one thing from the message that stood out, challenged, or stretched you this week?
2. What comes to mind for you when you think of messy or messed up stuff in your life? Maybe it's something from the past or maybe it's something current, but we all have something. Share your story.
3. What parallels do you see in the story of Zacchaeus and our culture and people in our community today? Share your thoughts.
4. Zacchaeus was looking for a low impact engagement with Jesus (just wanted to see Him). Do you think people where you live, learn, work, and play are even looking for such a low impact encounter with Jesus? Why or why not? Share your thoughts.
5. What are some ways we can spark an interest in Jesus for others around us so they will want to find out more about Him? Share your thoughts.
6. 3 weeks ago we were challenged to write down the name of someone we are going to pray for and then engage. Who's your person? What is your best next step to now engage them? Share with the group so we can pray with and for you.
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
