## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Have you ever found yourself comparing your life, success, or worth to someone else? How did that comparison affect the way you saw yourself? Share your story.
3. Our culture pushes people to prove their worth through success, appearance, achievement, or approval from others. Why? Where do you see that pressure showing up most in everyday life?
4. Read Romans 3:10–12, 23–24 & Titus 3:4–7. What stands out to you? What do you see about our ability to earn worth before God and the role God's grace plays in our salvation & worth?
5. Today we saw God's love is not a response to our worth, it's the source. Why is that truth difficult for people to fully believe and live from?
6. Read Romans 8:15–17. What stands out to you? How does the picture of adoption help us better understand our identity, worth, and relationship with God?
7. What are some false identities people tend to build their worth on? Is there a false identity that you need to replace with what Jesus says is true about you? What is it? What does it practically look like to replace those identities with what Jesus says is true about us?
8. If someone asked you this question this week, how would you respond? Who is one person who needs to know this truth this week? What is your best next step in helping them know it?
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
