Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. How many times have you heard or read about Adam and Eve? How has your understanding of this account changed as you have grown in your faith? Share your story.
3. Our culture often tells us to not consider God, trust our wisdom, and do what we like. Where do you see people being tempted to believe that God is holding out on them? Share your thoughts.
4. Read Genesis 3:1–9. What stands out to you about the way the serpent created doubt, the way Adam and Eve responded, and the way God came looking for them?
5. Today we saw that every wrong choice starts when we stop trusting God. Where are you most tempted to trust yourself, another voice, or your own wisdom instead of trusting God and His Word? Why?
6. Shame caused Adam and Eve to hide from the only One who could heal them. What are some ways people today try to hide, cover up, or manage their sin and shame? What leads them to this?
7. Today we heard three questions: What are you hiding? What are you using to cover it? What would it look like to come out of hiding? Which of those questions is most important for you to honestly process this week? Why? How can the group help you take this step this week?
8. Who is one person who needs to know this truth this week? What is your best next step in helping them know it?
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
