Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Have you ever tried to lift something by yourself that was labeled "TEAM LIFT"? Or have you taken on a project alone that really needed more than one person to accomplish? What happened? Share your story.
3. Thinking about our world and culture today, how do people generally view leaning on others for help and support? How do they view supporting/helping others? Why do you think this? Share your thoughts.
4. James says that we should invite others in to pray with us and other passages point to sharing our burdens. Do you find it difficult to let others in and ask for help? Why or why not? Share your thoughts.
5. We noticed that we need to show up and be a support to others in this life. What is one thing you can do to encourage others to ask for help when needed? What is one thing you can do to proactively offer support in a loving way to encourage and help others? Share your thoughts.
6. What are some practical steps we can turn a straying person back to the Lord in a way that honors the Lord and honors the other person? Share your thoughts.
7. What are some practical steps you need to take this week to call for help, show up to help, and/or stick with connecting in relationships? Share with the group so we can join you in prayer for this step.
8. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
