## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Can you think of a time when you were generous with your time, talent, or treasure, and God used it to bless someone else and blessed you in the process? What happened? Share your story.
3. Thinking about our world and culture today, how do people generally feel about using their time, talent, and treasure generously without getting something in return? What leads you to think this? Share your thoughts.
4. Today we noticed that God can take our generosity, no matter how big or little, and multiply it for His Kingdom Work. In what ways do you see your generosity as a form of partnership with God's Kingdom work today—whether through your local church, missionaries, or meeting needs in your community?
5. We were reminded that generosity can impact someone's eternity. How does thinking about the eternal impact of your generosity change your view of daily opportunities to be generous?
6. What barriers tend to keep people from living generously? What steps could be taken to push through those barriers with God's help?
7. If you were to intentionally steward your time, talent, and treasure differently this week in order to live more generously, what's one specific step God may be leading you to take? Share with the group so we can pray with you about it.
8. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
