## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Do you ever feel like your faith “workout” spikes and declines in persistence and intensity? If so, why do you think that happens? Are there patterns you have observed in this ebb and flow? Share your story.
3. Read Philippians 2:12-13 together. What’s the difference between working out our salvation and working for our salvation? Do you think it’s easy to get these two things mixed up in our faith journey? What are some things we can do to maintain a right view of this? Share your thoughts.
4. We noticed the concept of God's good pleasure and how everything we do should be for His glory. How can we apply this principle in practical terms to our daily activities and decisions? What does this look like in action?
5. We recognized that God works in us through His Word, the Church (faith family), and day by day surrender to Him. Have you recognized His activity in your life through these things? If so, how? What impact has this had on your faith? Share your story.
6. What are some best next steps that you can take this week to develop, maintain, and persevere in your walk with the Lord and continue to grow your faith and be transformed in partnership with the Holy Spirit? Share with the group so we can pray for you in the process.
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
