Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Talk about a time when algorithms impacted you and infiltrated your life. Did it feel like someone was observing you? How has this affected you and how you engage others? Share your story.
3. Read 1 John 2:15-16. Identify the temptations. What are some examples from your own life where these temptations may have influenced your behavior, attitude, or decision-making?
4. Have you ever felt pressured to present a certain image of yourself that may not align with your faith, Christian values, or beliefs? What are some steps you can take to maintain authenticity in life?
5. Read Luke 4:1-13. How is Jesus dependent on the power found in the Holy Spirit and God's Word? How can you apply this concept in your daily life, especially when faced with persistent temptations? What practical steps can you take to allow the Holy Spirit more influence in your life and be better equipped for resisting temptations?
6. What is your best next step to take this week to reduce false influencers in your (digital & physical) life? What can you do to avoid being a false influencer to others? Share your thoughts.
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
