## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. How has social media, or technology in general, affected your life and your sense of satisfaction? Have you ever felt the need to have something you didn't know you needed until you saw it online or in an advertisement? Share your story.
3. This week we talked about the temptation of wanting more and not being satisfied with what you have. Can you think of a specific time in your life when you fell into this trap? How did it affect your decisions and your contentment?
4. In Genesis 3 we see how the serpent (Satan) tempted Adam and Eve to believe they needed something more than what God had provided. How do you see this same pattern of temptation playing out in your life today?
5. We recognized the ongoing availability of God's presence and abundance in our lives. How can you practically remind yourself of this truth and continually seek God's guidance and fulfillment instead of looking for them in illegitimate ways from the world around you?
6. We discovered that true satisfaction can only be found in Jesus. What is your best next step to refocus your desires and priorities on Christ to find lasting satisfaction, contentment, and fulfillment in your life? Share your thoughts.
7. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
