Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Have you ever felt like something was “off” or sensed a strange heaviness or tension in a place or situation? What happened, and how did you respond? Share your story.
3. Thinking about our world and culture today, what do people think about Spiritual warfare and the Spiritual realm? What leads you to think this? Share your thoughts.
4. When you hear there’s an unseen Spiritual battle going on around us, what emotions or thoughts come to mind? Why do you think many people, even believers, tend to ignore or downplay the reality of Spiritual warfare?
5. Why do you think it’s important to recognize and understand that there’s an unseen battle and one real, true enemy that we face?
6. What deceptions do you see the enemy using in our world right now to lead people away from God’s truth? How can believers be alert without becoming fearful or overly focused on darkness?
7. Read Ephesians 6:10–13, 1 Peter 5:8, and John 8:44 together. What stands out to you about how the Bible describes the enemy and his tactics? How do these verses help you better understand the reality of spiritual warfare and where the true battle lies?
8. What’s one step you can take this week to be aware, be alert, or be strengthened in the Lord? Share your step with the group so we can pray for one another to stand firm and be battle ready.
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
