Discussion Guide

1. What is one thing that stood out to or impacted you from the **reading plan** this week? What is one thing from the message that God used to encourage, challenge, or grow you?
2. In 2 Corinthians 7:10, Paul differentiates between worldly grief and godly grief. What do you think are some of the most telling signs of each type of grief in today's world? Share your thoughts.
3. Have you ever experienced godly sorrow, a regret that led you to a deeper understanding of or closeness with God? If comfortable, would you share a bit about that journey?
4. Today we noticed the importance of seeking reconciliation and repentance. How do you personally approach the process of seeking forgiveness and making amends when you've wronged someone? What about when you have been wronged by someone else? Are there any specific situations where you need to initiate reconciliation or repentance with someone right now?
5. We had 4 steps to move toward long-term gains. Which of these steps resonates with you the most, and how can you apply it in your life to build stronger relationships and a closer connection with God? Which seems the most difficult to you and why?
6. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
