## Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Have you ever experienced a time when someone put you first in a genuine, Christlike way? What was the situation and how did it impact you? Share your story.
3. Thinking about our world and culture today, do you see more people taking the “look out for number one” approach, or “care for others well” approach? What leads you to think this? Share your thoughts.
4. Read Mark 12:28–34 together. What stands out to you from Jesus’ conversation with the scribe? Why do you think Jesus connects loving God and loving others so closely?
5. Today we learned that going 3rd means loving God first, loving others next, and ourselves last. How does this order challenge the way most people (including believers) approach life and faith? Share your thoughts?
6. What comes to mind for you when you think about loving God with your heart, soul, mind, and strength? What might prevent you from doing this well and with consistency?
7. What comes to mind for you when you think about loving others the way you love yourself? What might prevent you from doing this well and with consistency?
8. What is your best next step this week to do what Jesus calls us to do: Love God, Love People? Share with the group so we can join you in prayer for this.
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
