Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Have you ever experienced a time when you were searching for direction, clarity, or hope. What “light” were you following at that time, and how did it turn out? Share your story.
3. Thinking about our world and culture today, what “lights” are people looking to and following to give guidance and direction in life and why? What leads you to think this? Share your thoughts.
4. Read John 8:12 together. What stands out to you about this single verse? What invitation and declaration do you see? How might this verse be a transformative verse for you?
5. We recognized that light isn’t something we admire, it’s Someone we follow.. Why do you think it’s easier to admire Jesus (or appreciate Him seasonally) than to actively follow Him daily? What challenges are faced as we look to follow Him daily?
6. We learned that Jesus is the Light who guides and transforms, not just informs. Are there areas of your life that you sense Jesus wanting to step in to guide and transform you this week? If so, what are those areas and why might you be hesitant to allow Him to do a work in you?
7. What is a great next step for you to truly FOLLOW Jesus this week and allow His light to transform your life? How might this impact you, your family, and others around you? Explain.
8. Who in your life might need to experience the light of Jesus through you this season? How can your dedication to following Jesus help shine HIS light on others where you live, learn, work, and play. Share with the group so we can pray with you about it.
9. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
