Discussion Guide

1. What is one thing from the message that God used to encourage, challenge, or grow you?
2. Thinking about this last year, where have you personally seen God at work in your life, your family, or your faith journey? Share your story.
3. We talked about *mission drift*—when good things crowd out great things. Thinking about our world and culture, what are some things that might cause a person to drift in their personal mission as a follower of Jesus? Why? Share your thoughts.
4. Read Acts 2:42-47 together. What stands out to you about this passage? Is there anything overly encouraging or even challenging to you? What it is and why did this stand out to you?
5. As we look ahead to the new year, think about the mission statement of the church. What is one great next step you can take to become stronger or better with faithful teaching, personal discipleship, and generous living? Identify a next step for each item and write it down. Pray for God to help you take each step and make it a regular part of your daily routine.
6. Who in your life might need to hear about Jesus so they can get to know Him and move toward a saving relationship with Him? What is your best next step to have a conversation with this person to intentionally share Jesus with them? Share with the group so we can pray with you about it.
7. There are lots of Scripture references listed on the NOTES page. Take a few minutes to SOAP through one of the passages referenced in the message today. These are found on the top of the notes page. You may want to include verses before/after the passage listed too. Share your insights with the group.
