Ruth is fervent in prayer and in her love for the Lord Jesus Christ. This is her first foray into Bible Teaching and she is enjoying the challenge.

**Jenny Baker** says because many Titus 2 women invited her to bible studies when she had small children she has come to enjoy studying God's word and finding new revelations that she never knew before, drawing her closer to Him each time she reads. She grew up on the East Coast, and has been married to her high school sweetheart for 21 years. She has 4 children who are the hardest job she has ever loved! She left a career in interior design because she desperately want to be with her children full time. They make her smile every day!

She has been blessed by studying 1&2 Thessalonians with her co-laborers and is looking forward to the Women to Women Bible Study in the fall.

**Eileen Voigt** has been attending Community Church for 20 years. Her and her husband, Charlie have 4 children with just one high school student, Danny, still at home. She is a former homeschooling mom and now works with mutual fund taxes. Her passion is missions. She also enjoys praying in the Upper Room and getting her "baby fix" with the little ones in the Early Childhood classroom. Eileen attended Moody Bible Institute years ago and learned to study the Bible without a lot of props or Inductive Bible Study. She has thoroughly enjoyed studying Thessalonians and hopes that all the ladies who come enjoy it too.
