

As we begin 2026, we want to start by going through Scripture **together**. Over the next 21 days you are invited to read the Bible along with the Restoration community. You may have another reading plan, which is great. This plan is simple enough to add to that one. The important thing is that we are doing this **together**.

Over the next 21 days, we will walk through three movements:

**Knowing Jesus** - through the Gospel of Mark

**Knowing Yourself** - through Ephesians

**Knowing what Matters** - Through the Psalms

Our prayer is for us to become rooted in God's word and renewed by the Holy Spirit. Together let's ask God to renew us by His Spirit. As you read, **follow the same rhythm every day**;

**Silence** - Sit quietly and say, "Speak Lord, I am listening."

**Scripture** - Read slowly, pay attention to a word/phrase that stands out and ask, "Lord what are you showing me today?"

**Reflect** - Ask, "What are you saying to me in this moment?" Use the following questions to reflect on what you read.

Who is Jesus?

Who am I in Christ?

What truly matters?

How am I going to live out this passage?

**Journal** - Write down what God stirs in you. It could be a thought, prayer, question, moment of gratitude, or something else. There is no wrong way to do this.

**January 18 - Mark 5:21-43 [Only Believe]**

**Silence Prompt:** "Grow my faith"

**Reflect:** What do these stories teach you about trusting Jesus?

**January 19 - Mark 6:30-44 [He Gives What We Cannot]**

**Silence Prompt:** "Multiply what I have, Lord."

**Reflect:** Where is God inviting you to bring your five loaves?

**January 20 - Mark 8:27-38 [Who Do You Say I Am?]**

**Silence Prompt:** "Reveal yourself to me."

**Reflect:** What truth about Jesus is becoming clearer?

**Journal:** Finish the sentence: "Today I believe Jesus is..."

**January 21 - Ephesians 1:1-14 [Blessed in Christ]**

**Reflect:** What spiritual blessing do you most need to remember today?

**January 22 - Ephesians 1:15-23 [Eyes to See]**

**Reflect:** Where do you need God to open the eyes of your heart?

**January 23 - Ephesians 2:1-10 [Alive with Christ]**

**Reflect:** What part of your life feels most "made alive" in Christ right now?

**January 24 - Ephesians 2:11-22 [Near to God]**

**Reflect:** How does knowing you are "brought near" to God change the way you see yourself?
