***His love and saving power among people everywhere."***

**From James 5:16, Romans 12:13, and Psalm 67:2**

Grounded in the Great Commission of Matthew 28:18-20, the LPC Mission Committee exists to promote the Gospel, make disciples, and reflect Christ by serving people in need, both locally and globally. This is accomplished through supporting groups and individuals by outreach, prayer and financial support. Examples include supporting Christian missionaries in the U.S. and globally, engaging in missions as a church, and engaging in relief efforts through mission trips and financially supporting organizations who provide for those in need.

LPC's missions, both local and abroad, are encouraging examples of this congregation's determination to be a blessing to all God's people. Thank God that we may participate personally in the outreach of LPC. As you view those pictured and listed here, please envision the larger outreach our church is privileged to have through each one. Ask God to uphold their daily life and their work. Pray for each one to have insight, courage, provisions and safety. And last, but certainly not least, pray for God to help you discover your role in His charge to us in Mark 16:15 to "Go into the world and proclaim the good news to the whole creation."

**Pray for:** the protection of Christian workers, many of whom are living in dangerous situations; evangelists, church planters, and committed believers to rise up boldly to reach the unreached people in the world; God to prepare the hearts of the millions of unreached people to be open to the gospel; God to expose false beliefs to free people from spiritual bondage; an ample supply of Bibles in local languages and for access to education so that future generations can read them; and, the church to find favor in the eyes of the local governments so new believers will find safe places to live and grow in faith.
