

## ***Spread the Word of God by donating your old cell phone***

***Do you have an old cell phone you are no longer using? Would you like to donate it to an organization that will use it to spread the Word of God? RedemptionWorks International is an 501c3 non-profit organization, working in Mbandaka, DRC. They turn old cell phones into “Proclaimers”; cell phones containing audiobibles in the local language. Individuals take the Proclaimers into surrounding areas and hold “listening groups”; weekly (and sometimes) daily gatherings of friends and neighbors who listen to the Bible together. Once someone hears the Word of God, they want to hear more! There are many unfilled requests for these Proclaimers.***

***LPC will be collecting old cell phones (android or iphone - no flip phones) in July. Please reset the phone to its original factory settings which will remove all of your data before leaving it in the bin below.***

- ➡ **Reset your phone to its original factory settings (this will erase all your data)**
- ➡ **A new chip will be inserted containing all the books of the bible spoken in Lingala.**
- ➡ **The phone is now a “Proclaimer”!**
- ➡ **Proclaimers are distributed in and around Mbandaka to create Listening Clubs primarily in villages, but also in prisons and military bases.**
