

Worship Circle

**Beginning on Sunday, September 20th at
6:00 pm in the Choir Room**

In September we are going to try something new with music called a **worship circle**. On September 20 at 6pm, anyone who is interested can join us to sing and play some worship songs on Sunday evening in the choir room. We are going to pick some very easy songs with easy guitar chords. If you play the guitar, we'd love for you to participate. We aren't asking you to lead this group but simply to offer your talents and show up and play along (we will sit in a circle and play). Anyone who would just like to sing can come as well. If you play another instrument besides guitar and would like to bring it, ask Sarah beforehand. We are not looking for experts only, but all levels of singing and players, even if you are a beginner or have not played in a long time. We will read scripture and spend time in prayer as well.

If you have questions you can talk with Sarah Rose, or Pastor Greg.
