Connect with a Small Group!

Welcome Friend...

We are so glad you are looking for a New Hope Small Group! We would love to help you find the right group where you can find friends, grow spiritually alongside other people, and serve with others. A small group is a gathering of 6-16 people where you will...

- ◆ **Connect and care for each other**
- ◆ **Learn together and pray for one another**
- ◆ **Serve together in the community.**

Why join a Small Group?

Small Groups are a great way for adults to connect.

Why do Small Groups matter?

Personal and spiritual growth doesn't happen in isolation. Small Groups enable us to build safe community, places to connect with others and to help each other apply God's Word.

What happens in a Small Group?

Small Groups meet regularly to share, laugh, talk, and pray. They care of each other, celebrate together and serve together.

How long is my commitment?

Each semester lasts from 6 to 12 weeks.

What about my kids?

Check the group listings and with group leaders to see which groups have room to bring children along.

What if I try a Small Group and it doesn't click?

Give another group a try. Each group is unique.

How do I sign up?

**Contact Pastor Tom Hein for more information.
