

## Puget Sound Walk To Emmaus Lay Director Nomination Questionnaire

All individuals elected to leadership positions in the Walk to Emmaus are first nominated by a pilgrim or the Nominating Committee of the Board. The Nominating Committee is committed to using nominations, that meet required criteria, from the community first and will supplement, as needed, nominations from the Committee. This information is then presented to the Board for their deliberation, prayers for guidance, and voting on nominations. Nominations and elections are held at least six months (longer, if possible) prior to the Walk being considered. Every name nominated will be deliberated upon at a Board Nominating Committee meeting and then names will be presented to the Board for further consideration. Nomination forms are not maintained past the board meeting at which it is considered.

Please complete the information requested below and feel free to attached additional information to this form. Mail this information to the President Elect of the Board (address: Puget Sound Walk to Emmaus; President Elect; PO Box 77314, Seattle, WA 98133).
