LAC NEXT GENERATION

The fall season often includes changes to the weather and to our pace of life. As you navigate the changes for the fall, take a few minutes this week and ask Jesus how he may want to lead you and your family in this season differently than the past. Over the last few weeks in student ministry, we've been encouraging students to think about why they do what they do, specifically as it pertains to following Jesus and the changes He might want to make in and through their surrender to Him. Would you take a few minutes this week to do the same...

1. Jesus, what (if any) changes are you calling to me to make this season as they align with being present, surrendered, and others focused?
2. What is the first step in making that change and how do I go about it?

LAC KIDS | We are splitting the kids up during the 11AM session by grades. K-2 will be in LL1 and 3-4 will be in LL3 and LL5. Any questions?
