LAC NEXT GEN

Maybe you ask yourself, "Why does LAC Kids usually talk about the Gospel?" Well, without Jesus, we would not be able to have the relationship that we have with the Father. It is easy to get caught up in the Bible stories, which are still important, but if we don't recognize and see how God works in and throughout those stories, then they are simply just stories. Everything in the Bible comes back to Jesus, and we try to be intentional when we are in K-4 to always come back to Him. There are tools to be able to do this at home as well. If you would like to learn more, feel free to

reach out to nextgen@lancaftercma.org or talk with Pastor Rick, Bill, or Sarah
