## LAC NEXT GEN

**LAC Students** | Last month in Student Ministry we talked about 2 Cor. 4 and Paul's description of treasure in jars of clay. One of the primary aspects that students struggle with is their role in the passage. It's only as we understand that our role is that of the jar, something shaped and molded (uncomfortably at times), that we find ourselves in the best position to demonstrate, represent, and be transformed by the treasure of the gospel. Take some time this week to talk with your student about some of the ways they are being "shaped" to be more like Jesus.

- **Reminder.** If you need childcare on a Wednesday evening, registration is required by clicking [HERE](#).
