HAPPY RETIREMENT PASTOR JOE!

If you were unable to join us for Pastor Joe's celebration of ministry service last weekend, click [HERE](#). Pastor Joe's last day in full-time ministry at LAC is on Sunday, May 10, after which he and Joy will enjoy a season of rest and travel together. We'll look to see them back at LAC in 6-9 months.

Blessings on both of you!

MULCH NIGHT RESCHEDULED

With the impending weather forecast this evening, Mulch Night at the church has been postponed and is rescheduled for next Wednesday, **May 13** at 6PM. Volunteers of all ages are needed to help with outside yard work. If you would like to help, please bring gloves. We are also looking to have extra shovels, and wheelbarrows. Questions? See Eric Eckert or contact the [church office](#).

GREAT COMMISSION DAY

This past Sunday, Kyle reminded us how the way we PRAY, LIVE, GO, GIVE are an outward sign of our inner space. As disciples being transformed by Jesus, how are we using our time, energy, and resources? During Great Commission Day, we had the chance to see how [giving to the Great Commission Fund](#) puts so much into motion! 700 workers being a gospel presence in some of the hardest, most unreached corners of the world!

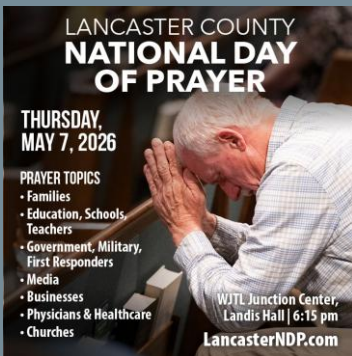

This [2-minute video](#) tells the story of the need and solution.

Whether you're a faithful long-time giver, someone just beginning to ask what your part might be, or somewhere in between, this is an invitation to respond to one honest question: *Jesus, what do you want from me?*

LAC NEXT GEN

LAC PRESCHOOL | Despite what last month's Life@ said we were not doing any more winter activities. We began Noah's Ark right after Easter. There are so many lessons to learn from Noah. We will be focusing on obedience as Noah listened to God to build a massive ark when there was no rain. We will learn that we can trust God as Noah trusted God to take care of him and the animals. We will see that God keeps His promises and sent a rainbow in the sky as one of His promises. And we will learn about choosing to do the right thing even when no one else is. Whew! That's a lot of lessons from one Bible story. Maybe this is a good time for you to immerse yourself into the story of Noah and see what lessons you can learn from Noah. Take time to read the story with your preschoolers. It's so much more than a lot of animals and a rainbow. We have just a few more weeks of Noah and my time here at LAC. We are finishing up Noah with doing the right thing and how God keeps His promises. My last Sunday here will be the conclusion of Noah's ark and we are going to have a rainbow party celebrating all the lessons we learned from Noah. The verses we have been learning and will continue until the end of our Noah's Ark ending is "Trust in the Lord with all your heart; and lean not on your own understanding." For the month of May we are going to try to add: "In all your ways acknowledge Him, and He will make your paths straight." Proverbs 3:5-6.

Thank you to everyone who has been a part of the preschool ministry over the years. Your investment has helped many hearts grow closer to Jesus.

With appreciation, Patty
