EURO CONF TRIP DONATIONS

Next month, a team of 15 people from LAC will be heading to Poland to serve the international workers and their families. The team will be providing childcare and programming for birth-grade 12, as others are leading worship for the large group meetings. There are many ways for you to be part of this global outreach, such as: praying for the team, helping meet the costs of this

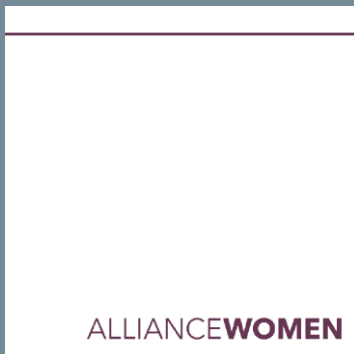

ministry, and donating items needed for the children's program. Click [HERE](#) for the list of needed items and how you can give financially to offset the costs for the trip. Thank you!

LAC NEXT GENERATION

In the last few weeks, there have been several world events that potentially have a shaping influence on young people. As you and your family may navigate some of the "why" questions regarding these events, I'd encourage you with the following...

1. Listen well. We tend to resolve and fix problems before we fully understand, and we seldom fully understand all the layers. When our posture is one of listening, we allow for the necessary process. Jesus' interactions with the blind man (Mt. 9) and the woman at the well (Jn. 4) are great examples to reflect on Jesus' listening.
2. Be fully present. We often feel pulled from one direction to another. The ability to focus on the person, and what is said (more so than your interpretation), observations as to why things might be said, and your own body language are all ways we can demonstrate presence. Jesus' interactions with the disciples in Mark 9 are a good example.
3. Look into additional resources. [Axis.org](https://www.axis.org) has some great resources on challenges like the ones recently faced this week.

We're praying for you and grateful for the opportunity to be part of Jesus' work in the life of your family. Feel free to reach out any time, I'd love to connect with you.
