

THE ALLIANCE GREAT COMMISSION FUND

Unique to The Alliance, this funding system underwrites a vast majority of the ministries of our more than 700 international workers and U.S. church planters, empowering them to focus on their callings.

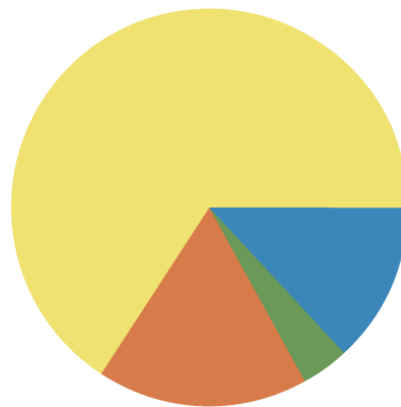

Giving to the GCF is one of the best ways for you to participate in fulfilling God's plan—providing all peoples, in every segment of society, the opportunity to encounter His beloved Son, Jesus.

Through your investment in the GCF, you partner in proclaiming—demonstrating and verbalizing—the love of Christ in our broken neighborhoods and world, through diverse outreaches such as:

- Providing critically needed medical care and vocational training in impoverished communities
- Baptizing and discipling new believers in God's Word
- Serving at-risk populations, including children of inmates, women in poverty, and those vulnerable to trafficking
- Planting new churches among least-reached communities, including the United States
- Helping rebuild the lives of families devastated by war and natural disasters
- Overseeing community development projects, specializing in agriculture
- Producing educational/evangelistic radio broadcasts
- Training and equipping future church leaders in national church networks

I wholeheartedly believe in what we are doing through the Great Commission Fund—no one does missions better. **—a GCF donor**

International Ministries	66%
US Church Ministries	13%
Alliance Higher Education	4%
Ministry Support	17%

The Christian and Missionary Alliance is a registered nonprofit in the State of Colorado and is an exempt 501(c)(3) organization seeking to uphold the highest standards of financial accountability and transparency complying with the standards of the Evangelical Council for Financial Accountability.
