# LAC Primetimers | Christmas Fellowship Trip

Christmas in Bethlehem is very special. Thousands of people visit this historic Moravian City during the holiday season.

Our tour begins with a stop at the Steel Stacks for an introductory movie and orientation. The largest marshmallow Peep in the world also has residence at the Stacks. Recognized as one of the top holiday markets in the world, Christkindlmarkt showcases aisles of exquisite handmade works by the finest artisans, the heart-warming sounds of Christmas and delicious food.

Lunch will be on your own at Christkindlmarkt where they offer unique foods for the holidays.

The afternoon will feature the Trees of Christmas located in three locations. You will have access to two museums, The Kemerer Museum of Decorative Arts and the Moravian Museum of Bethlehem, and the Moravian putz at the Single Sisters House. The Single Sisters' House features a Moravian putz display of a Nativity scene as well as other displays that tell the story of the Moravians' refuge with Count Zinzendorf in Herrnhut.

These three buildings are located very close to one another. You have the afternoon to enjoy the museums, and the specialty trees that feature 26 different cities in America.

Dinner will be at the Valley Family Restaurant and will include a variety of choices. Be sure to indicate your selection on the registration form.
