Stay tuned for more information from our trustees.

LAC NEXT GEN

Summer break brings its own joys and challenges, but it also gives us time to slow down and notice God's goodness. James 1:17 reminds us that every good and perfect gift comes from above, from the Father of lights — every good thing in our lives is a gift from a generous God.

This summer, build the habit of noticing as a family: identify the good things, name them out loud, and trace them back to the One who gave them. Gratitude isn't just a feeling — it's a way of keeping God at the center, in both easy and hard seasons.

This week at dinner, go around the table and have everyone name three good gifts from God: one from today, one from this school year, and one hoped for this summer. Close in prayer, thanking God for each one.
