LAC NEXT GEN | K-4

In K-4, we will be starting a new series next week called, "Step Up." This is about how we are called to step up in our faith by showing it and applying it to our lives. Faith is a hard concept for everyone to fully grasp and practice, but with examples found in the Bible and the demonstration from Jesus, we can have faith. What is an area in your life where you need to step up in faith? How could you do this with your kids and family?
