## Christmas in July

Why not celebrate God's amazing love by hosting a Christmas Party in July? Pull out your Christmas tree, wrap up some presents, invite some friends, and let them know that the Savior was born to save us from our sins. Here are some examples of what you could do.

- Decorate your Christmas tree.
- Find three things you own that you think would bless someone else. Wrap them up and give them away.
- Bake a birthday cake for Jesus, and remember to thank Him for His wonderful gift of salvation.
- Cut out paper into snowflakes, and hang them from your ceiling. You can also tape them to your front door.
- Build a snowman—out of scrap paper.
- Play paper snowballs. Put on earmuffs, scarfs, and mittens, and sing a carol.
- Make hot chocolate and sprinkle it with marshmallows. Perhaps you are in the mood for some apple cider and cookies?
- Make ice cream.
- Finish your Christmas celebration with an outing to the ice skating rink.
- Above all else, thank God for giving His only Son to die for you, and ask Him to give you the same generous heart.

## Time Capsule

To earn 100 points your family will need to put together and bury a time capsule. Your family's time capsule can be as big or as small as you wish. At the very least it should include the following:

1. Current photo of your family. Why not a few photos depicting key events from 2020?
2. Traced cut outs of every family member's hands with the following information: [1] What are some of your dreams? "Ten years from now I want to..." [2] What is your favorite Bible verse? [3] What is your favorite memory of 2020? [4] What is one thing you have learned about God and life in 2020?
3. Some objects, little detail items, that mean something from 2020. Hopefully in 10 years time these items will evoke fun and fond memories.

For the container you can use a coffee can, a plastic jar with a screw-top lid, or a zip lock bag. It just needs to be something durable and water proof. Don't forget to place a date on your calendar (10 years from now) when you will dig out your time capsule.

# FAMILY DINNER TIME

A TIME TO PAUSE,  
TO GIVE THANKS,  
TO CONNECT.

**Are you ready for the next challenge?**

With the What's for Dinner? challenge your family will develop a life-giving habit of gathering around the dinner table—to eat, laugh, play, talk, connect, and ultimately to discover the beauty of the unhurried life. More info: [www.familiesonamission.com](http://www.familiesonamission.com)
