The disciplinary philosophy and policies

DISCIPLINE:

It is our policy to maintain order through positive reinforcement. We will, from the beginning of school, establish with the children good behavior patterns and policies so that each child is aware of the expected behavior. It is our goal to develop and establish in each child the desire to follow good behavior patterns and appreciate the benefits of an orderly and well-mannered student body.

The following discipline procedures will be used:

1. Children who misbehave will receive a verbal warning and be redirected to another activity.
2. After 3 verbal warnings, if behavior continues, the child will be separated from the group and sent to a neutral place for not more than 10 minutes.
3. After 3 consecutive times in the neutral place, the child will be sent to the Director's office for a personal conference and the parents will be notified by a note or by phone. If unacceptable behavior continues, the parents will be called for a conference. These procedures apply to playground behavior, as well as classrooms, eating and indoor play areas.

Small Wonders reserves the privilege of dismissing any child who, after enrolling, seems unprepared for group experiences and is unable to adjust properly. Should the need arise for termination of student/school relationship, the matter will be thoroughly discussed between Director and parent so a healthy, positive relationship can be maintained in all respects. We ask the same courtesy from each parent should termination be desired on their part.

GOALS

FIRST BAPTIST CHURCH OF DEXTER IS INTERESTED IN YOUNG CHILDREN, THEIR FAMILIES, AND THEIR COMMUNITY. THROUGH OUR PROGRAM WE HOPE TO MEET SOME OF THE NEEDS OF THE CHILDREN IN OUR CARE.

Remembering the uniqueness of each preschooler and his/her individual rate of growth we will strive to:

1. Facilitate the development of an image of self as a unique and competent person.
2. Provide opportunities for the church, school, and home to work together in

meeting the needs of the child.

3. Provide a group situation in which the child can grow physically, socially, emotionally, spiritually, and mentally.

PHYSICAL – To facilitate the child’s gross (large muscle) motor development, his fine muscle control, and his eye-hand coordination by providing an assortment of experiences and equipment for the child to encounter in the environment.

SOCIAL – To provide opportunities for the child to have satisfying experiences in work and play with those his own age and with non-related adults.

EMOTIONAL – To help the child develop self-control and to express his emotions (fear, anger, love, sadness, excitement etc.) in a socially acceptable manner.

MENTAL – To advance the child’s functioning knowledge by structuring the environment for creative play and scientific exploration. To provide opportunity for various methods of verbal, musical, and creative expression. To encourage a child’s natural curiosity and desire to learn.

SPIRITUAL – We will tell a daily Bible story and constantly emphasize the rule, “Treat others the way you would like to be treated.” We do not teach any doctrine. We will strive to encourage the child’s feeling of being special and unique through Bible truths of God’s love, creation, and Jesus’ life.
