

# Missions Newsletter

## Where does our Missions money go?

The missions' team of BEPC works all year to send your donated money back out to selected missions in the local, national and international areas. This continues to hold true, even in the midst of Covid. [1 Corinthians 15:58](#) *Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.*

### Local Needs

**Joe Walker School:** Aldi gift cards for families in need. Even with school online, we have been able to continue this ministry.

**Prosperity Food Bank:** Normally every other month “Joyful Noise” offerings have been donated to this cause. The PFB had to make some changes due to Covid but Praise God, even without the monthly “JNO’s”, we have been able to continue to support them.

**We Care Mission:** Covid has changed this ministry as well. Instead of preparing meals, we purchased food gift cards and the volunteers continued to pass out “blessing bags” to 40-50 every other Monday. We are once again collecting donations of clothing, hygiene products and food. Beginning November warm homemade meals will be prepared for “take-out” only.

**Bethel Church Preschool:** This has been and continues to be a great community outreach ministry, which we enthusiastically support.

**Spiritual Resources/Angel Tree:** 10 Study Bibles purchased for Bethel folks in need; We hope to participate again with the McGuffey’s Teen Action Angel Tree.

### National Needs

**EPC Church Plants and Disaster Relief:** Financial help for EPC Church plants in Youngstown, OH and Beaver, PA; donations to EPC disaster relief efforts.

**Mission Trips/Church Camps:** Due to Covid, there were no trips or camps this year ☹️

### International Needs

**Haiti Child Sponsorship:** Ongoing financial support for Pastor Pierre’s mission in LaCroix. Missions trips are on hold due to Covid and political unrest.

**International Missions:** Supported EPC golf outing/dinner fundraiser & financial donation for “Eduation” in Sierra Leone.
