*January – April 2019 Volume 25*

As we enter into 2019, let me say that I hope you make mistakes. Hear me out before you judge me, lol. Because if you are making mistakes, then you are trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done before, and more importantly, you're doing SOMETHING. Don't be afraid to make a mistake. Don't stop, don't worry it's not good enough, or it isn't perfect. If God has called you to do something then do it. Don't allow the thought of making a mistake stop you from obtaining what God has for you in this New Year. I for one know that God can take our mistakes and He can make something gloriously amazing from them. On behalf of myself and my ladies board, we wish you all a Happy New Year and hope to see you at our upcoming events. Much Love, Sis. Janice
