

Fall has always been my favorite season. The time when everything burts with its last beauty, as if nature had been saving up all year for the grand finale. Fall or Autumn as some call it, can show us how beautiful it is to let things go. As I watch the leaves fall from the summer trees, I am reminded of God's gentle autumn breeze that carries away the remainders of yesterday so that a new season can begin. Maybe some of you are letting go of somethings or you're watching things blow away in your life. Don't worry God is in control and He will bring you into your season in His time. Trust me, better yet trust HIM. The roses will bloom and the sun will shine again in time. In the meantime, I encourage you to get connected and get involed with our ladies ministry. On behalf of myself and my ladies board, we hope to see you at our upcoming event...Much Love, Sis. Janice
