

Cliff Notes.....

Well it happened! By the end of the day on Monday the faithful of First Baptist had fully funded and exceeded the 2018 budget for our church. The overage fully funded our bonus giving to missions through the Cooperative Program of our denomination. When the smoke clears, most of the debt on the "North Property" will be paid off! Check the financial section for actual numbers. Thanks for honoring our Lord through your stewardship! Thanks be to our Lord for His faithfulness in all things!

I wish I could take you all to Israel to start the new year, but as a more affordable alternative we will go to Galilee, by way of Scripture, in each of our January services. The Sea of Galilee is actually not very large, but what Jesus did there forever changed the world. I look forward to being with you as we begin 2019!
