

## Cliff Notes.....

Thanks for your participation in another Bear Day. We do not yet have a final count and some bears are still showing up, but the day was obviously a success. Thanks, Helen Durden, for leading us in twenty years in this very special outreach!

As has been announced, this weekend our special guest will be Jared and Kerry Poulton, with their two children, Riley and Oliver. The Poultons will be introduced to the church in both morning services, and if all goes well, we will have a congregational vote the following Sunday to call Jared as our new Associate Pastor for Children and Families. Thanks for praying for this important weekend.

Sunday we will take both the morning and evening services to look again at the Book of Philippians. I look forward to being with you then!

## Music Notes.....

June 18th-23rd, 2018

GA Baptist Conference Center– Toccoa, GA

Cost: \$289 if registered by March 1st - Scholarships are available to help with cost!

SURGE 150 is a time where students (3rd Grade-College Freshman) receive musical training, ministry application, leadership encouragement, and opportunities for spiritual growth. Choir, Orchestra, Worship Team, Modern Worship/Technology, Piano, Music Theory, and Handbells are just a few of the many tracks offered. Not to mention, there are several different electives that each student can choose from. In addition to music, there are times of worship, recreation, and fellowship, to add to the experience of camp! The faculty and staff look forward to serving your students and preparing them for their ministry call, whether on the mission field, in the local church, or within denominational organizations.

If you would like more information, please let me know!
