

Cliff Notes.....

Last fall we looked at several passages in the New Testament that give us instruction on godly living in the home. In his brief letter to Titus, the Apostle Paul spoke of the tremendous potential older Christians have to be a blessing in the lives of young adults of the church. Sunday we will look at Titus and consider the great importance of multigenerational Christianity.

Sunday night we will take another look at the closing chapters of the Book of Revelation. In these days it is certainly helpful for us to be reminded that "the Lord, the Almighty reigns!" I look forward to sharing with you twice on the Lord's Day.
