

Cliff Notes.....

The coming of Jesus involved His transition from the glory of Heaven to the struggles of this fallen world. Though He was and is the sinless eternal Son of God, He chose to take on humanity and live among those He came to redeem. The Apostle Paul wants us to grow in our understanding of the greatness of Christ and the wonder of His coming as a Savior. The chosen humility of our Christ is amazing, and His reaching love for us is awesome! The Book of Philippians teaches us these things, and it also calls us to live lives where our salvation is reflected in who we are. Sunday we will look at Philippians in the morning and evening services. I look forward to being with you on the Lord's Day!

Friendship News.....

I don't know how the discussion this past Thursday regarding the proposed trip to Ark Encounter and Creation Museum turned out, but there is one thing I am concerned about and that is the cost involved. When I first joined this group one of the things I committed myself is to always plan trips and activities that could be afforded by the largest number of people. This trip really has me concerned. We will discuss more next week after knowing how this past luncheon turned out.

Instead of telling God how big your problems are, tell your problems how big your God is!

**20th Anniversary of Bear Day
Sunday, February 11, 2018!**

From the Spring of 1998 until January 2018 God has allowed us to comfort hurting children with approximately 8,000 bears! BEAR DAY is this Sunday, February 11th. We need bears and we need lots of bears! These 12-15” bears are given to children in trauma situations at WINGS; CASA; Stepping Stones; Fairview Park Emergency Room and Pediatric Ward; and the Children’s Home in Baxley, GA. We hope you will join in this ministry and help us comfort a child in distress with your bears! Bring your bears to the sanctuary on Sunday, the 11th.
