

## Cliff Notes.....

John the Baptist spoke prophetically when he described the growing role of Jesus Christ in the hearts and lives of people of faith. Rather than trying to retain control of what was around him, John spoke humbly about his own ministry and he aimed his listeners toward a high view of Jesus as Savior and Lord. Sunday morning we will look at this subject as we continue in the awesome third chapter of the Book of John.

Sunday night brings us to a great opportunity to hear from the music students of Shorter University. Shorter has long had a strong reputation for training young people in Christian music and worship. It will be an outstanding evening! I look forward to seeing you twice on the Lord's Day!

AM—*He Must Increase*—John 3:22-30
