

Cliff Notes.....

Some of you have been around long enough to remember the Home Mission board. That, of course, became our North American Mission Board. The name changed, but the main purpose of leading people in America to Jesus remains. The American culture has changed significantly in the last generation, so mission strategies have also evolved. The role of NAMB is more important than ever, for United States now has one of the largest spiritually lost populations in the world. This is our season for praying for “home missions” and for giving to the Annie Armstrong Easter offering, which is collected for that purpose. May the Lord guide us as we give and pray this year, and may the Lord’s hand be with our denomination’s efforts to take the Gospel to our own culture in our own time!

The Irish Blessing

May the road rise to meet you,
May the wind blow at your back,
May the sun shine warmly on your face;
May the rain fall softly on your field;
And until we meet again,
May God hold you in the palm of His hand.
Amen.
