

## Cliff Notes.....

This week will bring to a close our long study of the Book of Revelation. We will look at the closing verses of the last chapter in the morning service, and Sunday night we will back up and see the closing verses of Chapter 21. Revelation is challenging, but I hope you will continue to enjoy reading it and seeking the blessing associated with it. I look forward to being with you in this season as we celebrate our Lord's crucifixion, resurrection, and final victory!
