Cliff Notes......

Last Wednesday night, in our quarterly worship, we voted to adopt Trinity Baptist Church in Chongwe, Zambia as a partner church. This will be an

international version of the partnership we have with St. Peters Baptist Church here locally in Dublin. It will be an interesting way to share prayer concerns and encouragement. I look forward to sharing information with you as that relationship develops.

The Apostle Paul, in writing his epistles, often wrote theological sections, which were then followed by consideration of the practical application of our Christian beliefs. In the Book of Romans Paul delivers a profound theological presentation for eleven chapters, but in Chapter Twelve he moves into a great call to Christ honoring living. Sunday morning we will look at a sample of this “practical Christianity” where the theology of Romans makes its way into every
day life.
