

Cliff Notes.....

Sunday we will not reach the end, but we will approach the end of the Book of Revelation. There the Lord gives His final invitation in Scripture to a lost world and to spiritually lost individuals whose time is running out. The Gospel of Jesus Christ is truly awesome, but it also involves a door of opportunity that will not remain open forever. In these closing verses of the Bible, the Lord says, "Come"!

Sunday night I want to do something a little different. I refer often to "The Jesus Film" and describe it as the most important movie ever made. The international spiritual impact of this simple, forty year old movie is immeasurable. It is indeed one of the primary tools being used in our time for the completion of the Great Commission. I want to give you some information about the film, and then share with you a brief scene from the movie in the Soli language of Zambia.
