I am finally feeling better, breathing is almost back to my normal regime of nebulizer treatments. Still have to pace myself as the fatigue is still bothering me but not as bad as it was! Per my cardiologist, he was giving me until 10-31-25 to recover....so I still have some time to fully recuperate over the next few weeks. I thank our dear Lord that all my tests have been normal!

I am so grateful for all my LCoP Family's prayers, cards, and kind thoughts....it is so humbling to realize how many people are lifting me up in prayer!

THANK YOU just doesn't quite express my gratitude.

Please give my loving regards to everyone on my behalf.

In His Peace,

Susan Asche
