FINDING JOY

A VALLEY CREEK SERMON SERIES

Finding Joy in One Another Philippians 1:1-11

Paul shows us how to find joy in one another:

1. Give thanks for one another - vv. 3-5
2. Encourage one another - vv. 6-8
3. Pray for one another - vv. 9-11

Discussion Questions:

1. Paul opens the letter by identifying Timothy and himself as “servants of Christ Jesus?” How does that set the tone for the letter to come?
2. Spend some time giving thanks for those who have partnered with you in the gospel. How can you encourage them as Paul encouraged the Philippians?
3. Paul begins in verse 9 by praying that their “love may abound more and more,” praying in verse 11 that they might be “filled with the fruit of righteousness that comes through Jesus Christ.” How does his prayer teach us to pray for one another?
